Lessons Learned

What do you like most about the product or service?

1) takes feedback and acts on it, 2) new features and capabilities on a regular basis, 3) Willing to do whatever it takes to make us successful.

What do you dislike most about the product or service?

1) The UI needed attention in the beginning and has improved a lot, 2) training and related resources could be improved, 3) I am challenged by the breadth of features in the tool, I would like to see specific use cases or how to guides tailored to specific industries or job functions
