Peer Review for Legit Security

Vendor Overview   Evaluation & Contracting   Integration & Deployment   Service & Support   Product Capabilities   Additional Context

"Application Security Posture Management Done Right!"

Submitted Oct 25, 2023

5.0 ★★★★★ Overall User Rating

Product(s): Legit Security

Overall Comment: "Legit Security quickly became the foundation for all our applications security initiatives...may I add the closest thing to a single pane of glass. Legit Security allows you to track and govern the lifecycle and hygiene of your SDLC. "
